the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. the 1990s, the number of people in the world who are under 15 years of age has increased by 1.2 billion, from 1.1 billion in 1980 to 2.3 billion in 1999. The number of children under 15 years of age in the world is projected to increase to 3.1 billion by 2020.

There is a growing awareness of the need to address the needs of children in the 21st century. The United Nations Convention on the Rights of the Child (1989) is the most widely ratified human rights treaty in the world. It sets out the rights of children and the responsibilities of adults to protect and promote these rights. The Convention is a landmark document in the history of children's rights and has led to the development of many national laws and policies to protect and promote the rights of children.

ACEDEMICS

Mr. Greg Shmagranoff has been a silent force of reliability during his tenure at Calumet High School, serving as chairperson of the industrial arts department for ten years, a driver's education instructor for twelve years, and an industrial arts teacher for thirty-five years.

In addition to performing

his classroom duties, Mr. Shmagranoff devoted unselfish hours to the repair and maintenance needs of our school, and he was always willing to assist in making the school's extra curricular activities more successful by building anything from parade floats to stage scenery.

Mr. Shmagranoff spent four years of his teaching career coach-

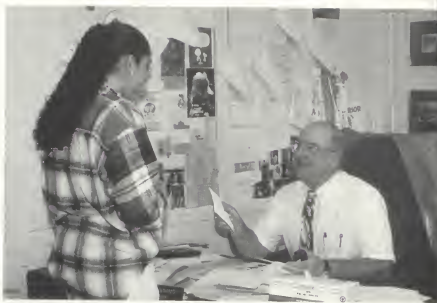

ing baseball and five years training student teachers.

Mr. Shmagranoff stated he was surprised by the outcome of the vote, which is done by the faculty. "I'm happy to receive this award," Mr. Shmagranoff stated.

Congratulations, Mr. Shmagranoff!

Styles & Fads

This past year has brought many new and interesting styles to the halls of good old Calumet High School. The style and dress (and music for that matter) have come and gone. GRUNGE? HIP-HOP? FLANNELS? TORN JEANS? What is this all about?

It is about style. Times are a changin' and so are styles. We don't know what the rest of 90's will bring us, but we know we will definitely stand

out with our style. Whatever the case may be, however you want to be, always be you. And remember style is what you make it!

Whether you want your hair long, straight, curly, braided, or if you even want an afro, that's okay. If your shoes are clean, dirty, or three inches taller, that's okay. If someone doesn't like it, you tell them, "HEY, I'M IN STYLE!", and leave it at that.

SPIRIT WEEK

According to many students and faculty members, this year's homecoming spirit week was the best this school has had in a long time. Many activities were planned for the student body, including a bonfire banned since 1979!! The pep rally was returned to the auditorium, making it more exciting than last year's rally. A week of flower-fluffing parties, T.P.'ing, and doing very little homework wore everyone out. However, students remained enthusiastic throughout the game.

Spirit week days were:

MONDAY: Class Color Day

TUESDAY: Inside-Out Day

WEDNESDAY: Hippie Day

THURSDAY: Pajama Day

FRIDAY: Red and White Day

On the night of October 1, 1993, our Calumet Warriors faced off with the Griffith Panthers. Though the Warriors fought fiercely, they could not overpower the Panthers, who won the game with a score of 40-12. For the third year in a row, the class of 95' won first place in the float competition. During halftime the Queen nominees waited anxiously to see who would be crowned. Angela Hogan won queen honors. Even though the students may have been disappointed by the loss of the game, many of them remained enthusiastic for the dance held afterward. At the dance, senior Sidney Jordan was crowned King. Overall, this year's Homecoming was a great success.

The football team shows their spirit by singing the school song at the revue.

Jermanee Davis I would like to thank everyone who nominated me. Especially the Juniors. I had a really enjoyable time. Thanks for the memories.

Carmina Garcia I was really overwhelmed about the idea and I appreciated everyone who voted for me. It was a real fun experience too!

Sidney Jordan: I felt respected! I'm glad that people could show me that they looked at me in a positive way.

Ramsey Regalado: It surprised me to be nominated. It was really nice, but I had other things on my mind. It was an experience that won't be forgotten.

Ron Reid: It was cheesy, and I liked it. It was fun standing in front of all of those people as I lost, knowing they're looking at me thinking "You Loser," but it was cheesy.

Matt Simmons: It was really neat because I was a nobody in the past years and this year some people actually noticed me. Too bad I knew there was no chance. It's like a chicken surviving in Ethiopia.

Makin' It

Typical teens in typical situations at Dwight D. Eisenhower High School, did their best to "Make It", through school. On the night of November 10, 1993, Calumet had it's first play of the year. The play was headed by Ms. McCray. The cast for this

play was larger than usual, but that just made it all the better. Lines were memorized and rehearsed, and rehearsed, and rehearsed. In the end "Makin It" was a huge success and enjoyed by all.

Sadie Hawkins Dance

The yearbook staff threw a Sadie Hawkins dance on the night of November 13, 1993. The annual turnabout dance, which is usually held in December, was not until February, so the yearbook staff decided to have a dance between homecoming and turnabout. A lot of the students went

along with the theme by dressing up as country folk. The staff kept the cost of the dance low so that everyone could attend. Music was provided by Entertainment Express. Though the attendance wasn't as high as expected, everyone had a great time.

TURNABOUT '94

"I Will Always Love You"

When this year's Turnabout was canceled in December, many people were disappointed. But when the cheerleaders heard of the problem, they quickly came to the rescue. This year's Turnabout took place on February 26. The theme was "I

You," and was presented as something on the order of a Valentine's Day dance, with the term "turnabout" still applying. For the first time turnabout had a prince and princess. Kyle Roach and Amber Tenkely won the title for this year.

On the night of March 17, 1994, Calumet had it's second annual fun fair. The fun fair started at 6:00 P.M. that night, and lasted until 9:00 P.M.

Again, the usual booths were present: the jail, the bingo table, the cake walk, the chili supper and many more. Though not as many booths were present this year as there were last year, the fun fair was still a huge success.

It was a fun experience and will hopefully continue to go on year after year.

BLOOD DRIVE AT CHS

Again the Red Cross visited Calumet to have the successful blood drive that they receive every year. This year did not turn out as well as expected. A rather large field trip was rescheduled to take place on the day of the blood drive. The student council (whose members go through training in order to help run the blood drive) was devastated. This would have been okay if it were freshmen or sophomores, but the trip consisted of a lot of seniors.

The problem was, in order to donate blood, the donor had to be at least seventeen years of age. The field trip took most of the blood drive's potential donors. Even though the turnout wasn't as large as expected, many pints of blood were collected.

BOTTOM RIGHT: Junior Ed Brown is in the canteen area. Sometimes donors feel faint after giving blood. Some of the Red Cross staff were there in case anything happened to Ed.

PROM 1994

This year's prom took place on Saturday, May 14, 1994. The prom was held at St. George Serbian Orthodox Hall. "Wonderful Tonight" was chosen as the theme by the Junior Class. The night was highlighted by the crowning of Julie Page as Queen and Matt Armstrong as King. The prom was enjoyed by all.

Senior Banquet

At the end of every school year, the seniors get together for a banquet. The banquet is held to distribute awards and scholarships to the students who earned them. The senior class also decides to give *Gag Awards*. These award winners are decided after ballots are distributed to each senior. This year's banquet had a surprise for the class and school — Mr. & Mrs. Roach presented Ms. McCray, senior class sponsor, with a new Warrior head to be displayed by the auditorium.

SENIOR OLYMPICS

This year's senior Olympics was held on a rather chilly day. This did not discourage the seniors, as almost the entire class showed up to participate.

Ms. McCray organized the event, while Mr. Bunda cooked up hamburgers for the hungry seniors. Parents volunteered to work, helping dish out food, pop, etc.,

and helping monitor the games.

Games this year included a softball throw, passing the orange down the line, changing into an odd assortment of clothing and modeling them, racing through tires, racing around tires, and a tug-of-war. After the outside games were over, the seniors headed inside to the pool and swam.

After thirteen long years the class of 1994 gets to say good-bye to public schools. Some may go on to college, a trade school, or they may just decide to enter the work force after graduation. Whatever they decide, we're sure they will succeed.

Good luck in all endeavors!

FOOTBALL

Despite two early losses in the season, the Calumet Warriors did not lose hope, instead they just got more determined. The Warriors' third game was considered one of the best of the season, it was against one of our arch rivals: Highland. The Warriors went into the game full of spirit and became even more estatic when seniors, Kyle Roach and Matt Simmons entered the game at the start of the second quarter.

The team went on to win the game by a stunning twenty-five point margin. They then went on to loose their next three games, but came back by crushing Clark by forty-eight points, and whipping Horace Mann by twelve. The Warriors will miss the graduating seniors, but are looking forward to another great season.

Lady Netters

The girls' volleyball team had a tough season. Although they may not have won a lot of games they always had spirit. The volleyball team worked hard during practices and during games. Every player worked well with each other. They always encouraged each other to do their best; even when someone messed up, the team did not put them down but encouraged them. The team will miss the three seniors: Jackie VonOgden, who has played for three years; Stayce Botts, who has played for three years and who was awarded Best Receiver at the awards banquet; and Esmeralda Serrano, who has played four years and was awarded Best Setter and Best Server. Michelle Bajmakovich, who is only a junior, received the Most Valuable Player and the Best Hitter Award.

LADY NETTERS

The JV Volleyball team worked very hard this season. Being short of players, they had to do their best with what they had.

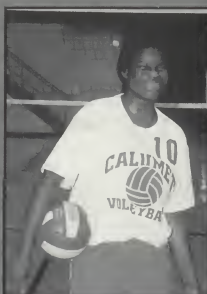

The players were very supportive of each other and also with the Varsity team. There were not many players on the JV team but the ones who played did their best to make up for the lack of players. The JV team will get stronger in the future.

Lady Warriors "Pool" Together for a Victory!

The Lady Warriors were led through their season by the senior co-captains, Elizabeth Deremiah and Michelle Trella. The team proved to be successful by winning their first home swim meet, and having a successful sectionals swim meet, where co-captain Michelle Trella broke the school record for the 50 freestyle event.

The Best Mental Attitude given to sophomore Brandi Bailey and

junior Brandy Bridegroom. The Most Improved award went to sophomore Diana Velez. Co-captain, Beth Deremiah received the Pride, Hustle and Desire award. The M.V.P. of the season was co-captain Michelle Trella.

The team looks bright for the future since the underclassmen plan to continue their swimming career.

Successful Season for the Netters

The 1993 Calumet Boys' Tennis Team enjoyed a "respectable" season. Head Coach Jerry Tauber came back into the Boys' program after a six year absence. The team won only three matches but this was three more than they had won in the last two full seasons.

Senior Jacob Williams, who did not participate his junior year, was back to lead the team. Jacob was the team's Most Valuable Player and a state qualifier posting a 13-2 record at number one sin-

gles. He also was voted 1st Team All Conference. Matt Rodriguez played second singles and was awarded the Best Mental Attitude Award. David Gregory, a sophomore, finished the season with the second highest number of wins, was voted the Most Improved.

Mr. Tauber's goal as a coach is to bring respectability back to the Calumet Boys' Tennis Program. He believes that he did this and looks forward to a good season next year.

"To prepare myself physically and mentally before a match I eat and relax at Long John Silvers. This gives us energy and time to prepare ourselves for the upcoming match."

It Ain't Too Hard To Jam

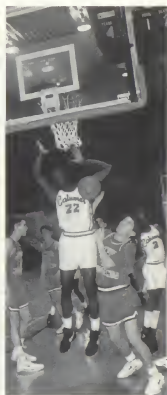

The boys varsity basketball team had a great season this year with a record of 10-10. Coach Traicoff did a marvelous job with this year's players.

There were some exceedingly talented players on this year's team, many of whom received awards at the awards banquet. Leading rebounder, 3 year letterman, best defensive player, and most valuable player is none oth-

er than Malachi Allen, who had a great senior year. Best free throw percentage and leader in assists was given to Marty Abegg. Brian White was awarded the best attitude award; no matter what the team encountered, Brian kept a positive attitude. The most improved player this year was Leonard Calloway. Leonard tried his best all year round and his determination showed.

ABOVE THE RIM

The jayvee basketball team had a difficult season with a lot of young players. Although they are young they do have talent and potential for future years to come.

Most people forget about the freshmen basketball team but what people do not realize is that in a few years these freshmen players will be on the varsity team. Good luck to all in the future.

The boys swim team had an excellent season of 12-6. Coach Starewicz had some strong swimmers this year. Rob Spoor was awarded a four year letterman award and was also team captain. The Most Valuable Swimmer award went to Eric Damjanovic who is only a junior. Robert Keene practiced hard all season and his desire to become a better swimmer paid off. He was awarded most improved player. Outstanding freshman award was given to Robert Maugherman.

During football season the cheerleaders stood behind their school even when the odds were against them. They were there in the cold, in the rain, and even in the wind. No matter what, they always stayed to cheer the team on.

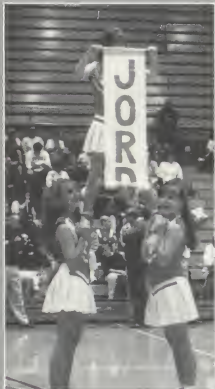

During basketball season the cheerleaders did their best to get the crowd involved in the cheers. They did mounts, they made signs, and they practiced twice a week.

During football and basketball seasons it is a tradition for the cheerleaders to decorate the players' lockers with various items, either the day before homecoming or the day before sectionals. They also make up a goody bag full of candy for each player. The cheerleaders also perform a routine for every pep rally.

The jayvee squad does as much as the varsity with the exception that they have to cheer at all the jayvee games as well as the varsity games.

Wrestling

The wrestling team continued the long standing winning tradition of the Calumet Wrestlers. The wrestlers ended their unbeaten season by claiming the first Lake Ten Conference Championship, as well as the sectional and regional championships. The regional championship was determined by senior Ron Reid's match. Ron had to face an opponent that had beaten him earlier in the season, but Ron beat him this time! Calumet won the tournament 85-84 over Hammond and the title of *Regional Champions*.

A New Beginning

The Lady Warriors had a successful season, although their record of 3-15 does not reflect it. The Warriors were given a boost by CHS newcomer, sophomore Zabrina Harris. After waiting to play until she had enough practices in, Zabrina led the team to a 65-60 victory over Hammond Gavit in her first CHS game.

Zabrina led the team with 18.1 ppg and 14.4 rebounds per game. She was voted to the Lake Ten All-Conference team and was CHS's Most Valuable Player. Rounding out the young team were seniors Molly Askren and Rosie Escobedo; juniors Michelle Bajmakovich and Amy Flores; sophomores Kameka Applewhite, Lyniece Lewter, and Anissa Magee; the lone freshman was Wanda Evans.

Anissa Magee was voted the Most Improved Player and the best defensive player.

CHS NETTERS

The girls tennis experienced many setbacks. One of which was losing last year's number one singles player because of grades. They also had a few players who either sat out last year or who were injured last year. They worked hard at obtaining their first win of the

season, which came at the hands of Whiting.

The team is looking forward to next year, not just because they are getting a new court, but also because they have gained valuable experience.

This year's softball team broke a few records. Those records include the most games won in one season, a grand slam was hit by sophomore Zabrina Harris, and the team scored an unbelievable 40 runs in one game. This from a team of two seniors, one junior, seven sophomores and one freshman. This is a young team which is starting to mature as ballplayers. They are expected to break even more records next year.

This was the first year in CHS Softball history that the Lady Warriors had a JV team. These young ladies worked hard throughout the season to improve. Freshman Vanessa Burk was the first JV player to get a hit — in her first at bat!—and to score the first run for CHS JV softball. We hope the interest will stay with these girls and future generations so CHS will not do away with a JV Softball team!

BASEBALL

This year's baseball team experienced ups and downs. They were all working hard, but some games slipped past them. The outlook was bleak at times, but improved as they played on.

BOYS

Boys track saw an upswing in wins this year. The boys had a new coach, John Steele, and a new attitude going into this season.

From the first day of practice the boys knew things were going to be different this year. They worked hard, and learned you race as an individual, but you win as a team.

A new school record was established by the 400 relay team of Jason Oslawski, Faraji Leonard, Chet Johnson, and Jon Piontek with a 44.1. Jason Oslawski also broke the old 100 meter dash record with a 10.6.

GOLF

The sport with a club.

The golf team is one of the smallest team sport's that Calumet has. Although there are not many people who are fans of golfing there are still a few gentlemen who favor this sport. The golfers deserve credit for not giving up. They have to travel away for every match and nobody goes to support them. They deserve a lot more recognition than they get. Keep up the good work and good luck in the future.

The Calumet Academic Super Bowl Team made history this year by obtaining their first ever state title. Their road to victory started at Gavit High on April 19, 1994, when they had an excellent performance in five out of six categories. The first regional title was won in the Fine Arts category. The team of Carrie Brown, Terra Shaffer, Scott Swickard, and Adrian Wilkerson, won by clenching 18 of 25 questions.

They then took the championship in Social Studies. The team answered 17 questions correctly to blow out the rest of the competitors.

The team continued with the Math category and Low scoring did not keep the team of Elizabeth Deremiah, Jon Lanham, and Corey Seligar from securing a third place finish. The English team of Hannah Barnard, Elizabeth Deremiah, Heather Sanders, and Michelle Trella continued the march by also winning a third place in their division.

Things really happened the next day when the Social Studies team learned that they would be competing in the State Finals on April 30, 1994 at Warren Central High School in Indianapolis.

The Calumet team won their first championship by scoring 21 points in the finals.

Congratulations to the winning team of Carrie Brown, Jesus Sanchez, Terra Shaffer, Jacob Williams and Adrian Wilkerson on your state title.

Listen to the Beat

Newcomer, Mr. Elliott, helped band director Mrs. Potoma with the choreography for the half time entertainment at football games.

New this year, a few band members decided to play at some of the wrestling meets. Mr. Wadkins, head wrestling coach, called them "The Potentially Dangerous Pep Band." At basketball games, the band performed numerous songs like "Sweet Georgia Brown," and "We Will Rock You."

left: Chad Robinson watches with a big smile as band students practice for their winter concert.

Above: Charlotte Prewitt explains to the other band members that they must be on time during their performance.

Row 1: Mrs. Potoma, Ellen Paladino, Charlie Gregory, Theresa Eriks, Eric Haic, Cynthia Zarate, Charlotte Prewitt
Row 2: Keith Hemphill, Lisa McIntosh, Mary Ford, Shawn Dillon, Ludovick Garcia, Chad Robinson, Kay Childers, Mark Smeltzer, Gene Thomas
Row 3: Joshua Doran, Jeremy Gregson, Charlie Jackson, Fred Loomis, Daniel Beehn, David Breit, Natalie Burke, Karl Luger, Mark Short, Chris James

SPANISH

Viajando e Encontrándose Con Amigos por todo del Mundo

Members of the Spanish classes spent their spring break exploring Aztec ruins, beaches, and other places in Mexico. Mrs. Jones took about fifteen

students with her. Also on the trip was Dr. Beach, our superintendent and his wife. Everyone seemed to have a good time.

right: Travelers included front: Chrissy Sankowski, Amber Tenkely, Erica Jordan, Jessica Luna, and Kurt Beach back: Jon Walsh and Kevin Beach
below: The climb up an Aztec Pyramid looks steep.
bottom right: The view from atop the Aztec pyramid.

above: The exploring never ends!
left: Jon Walsh seems to be enjoying his parasailing trip.
below: The climb down the pyramid is as steep as the climb up!

Good Luck Everyone!

To read is one thing. To understand is another.
 And to learn what you have understood is different again.
 What really counts is what you can do with what you have learned.

Good Luck Seniors!

Go Warriors!

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 2000). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.
